

West Norfolk & Kings Lynn Beekeepers' Association

TASTER SESSIONS 2017  
at the Association Training Apiary  
Rougham, PE21 2SH

We are offering 'Taster Sessions' for those interested in taking up beekeeping. The two hour sessions are designed to give an experience of looking into a hive, how it feels to be surrounded by buzzing insects and provides an insight into the world of the honeybee.

Each session is open for 8 potential beekeepers, who, after the obligatory risk assessment will be kitted out in WNKLBA bee suits. A short talk about the honey bee and the equipment needed for keeping bees will be given. The WNKLBA demonstrators will then open up two hives and aim to show live bees, the brood box, eggs, larva and sealed brood, the super, nectar and capped cells.

The sessions take place on Sunday afternoons, 2.00-4.00pm. If the weather is not suitable on the day, the demonstration will be postponed to another date. Participants are asked to bring their own wellington boots, and the cost per person is £10.00

The sessions in 2017 will be held on the following Sunday afternoons:

28th May  
18th June  
16th July  
6th August
